Keeps Your Baby Safer

SNOO is the first (and only!) baby bed to receive FDA De Novo Authorization for its ability to keep sleeping babies on the back (IS). Back-sleeping is the #1 safe sleeping recommendation by all US public health authorities, including the American Academy of Pediatrics.

Boosts Sleep, Calms Crying

SNOO boosts sleep 1-2+ hours with the soothing shushing and gentle rocking that babies loved in the womb.

Fun, Helpful App

SNOO logs a baby's sleep...automatically! The App lets you adjust the SNOO's settings to make it perfect for your baby. And, our special weaning setting makes the transition to crib... a snap.
