

Get the right care for you

No matter what life throws your way, we'll help you connect with the care you need. Call or email us 24/7, make a phone or video appointment, or visit in person to get many services under one roof. This is your care, your way.

Your care

Routine care

Regular visits to your doctor that can help catch health problems early, when they're easier to treat.

- Checkups
- Preventive screenings
- Well-child visits

Specialty care

Services from doctors trained in focused areas of care, like:

- Obstetrics-gynecology
- Mental health and wellness
- Dermatology

Many services don't require a referral.

Urgent care

Illnesses or injuries that need medical attention soon, but aren't emergencies.*

- Fevers
- Earaches
- Minor sprains or wounds

Emergency care

When your health is in serious danger and you need care right away.†

- Trouble breathing
- Severe chest pains
- Very bad injuries or wounds

*If you are sick or injured, you may have an urgent care need. An urgent care need is one that requires prompt medical attention but is not an emergency medical condition.

†If you reasonably believe you have an emergency medical condition, call **911** or go to the nearest Emergency Department. An emergency medical condition is a medical or psychiatric condition that requires immediate medical attention to prevent serious jeopardy to your health. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage*.
